CALLING ALL SOPHOMORES!
How do you beat the distancing blues?

The Sophomore and Junior Office invites you to connect with your Rutgers peers and friends right here by sharing advice, tips and shoutouts in our next newsletter.

Submit your advice or shoutout (sophomores@sas.rutgers.edu) before the end of March, and it will be featured in our April newsletter!

Don't miss this chance to brighten someone's day, inspire a classmate, or give a tip for staying positive. Your peers can't wait to hear from you!
